## 组织者说

### From the Organisers

罗德奖学金进入中国已经有四年。四年的时间里，我们一直希望创造机会让更多的罗德学者了解中国。从2018年开始，中国学者开始承担罗德中国行的组织工作，也幸运的取得了各方的支持以及学者们的信任。每年我们会带领近二十位学者来到中国，深入体会东方的文化与社会。我们开心的看到，中国各界对于罗德学者是热情和包容的，各个领域的专家学者为学者们提供了良好的学习机会；同时，参与行程的学者们也怀有开放的心态，并积极地参与讨论，为解决中国的很多问题提供了新的视角。

我们希望中国行能够持续的为罗德社群传递中国信息，也希望罗德学者来到中国能够让更多的中国人了解罗德的使命。愿罗德学者在中国的行程成为中国与罗德对话沟通的桥梁。

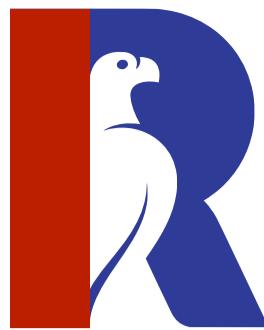

江熹霖 2017中国罗德学者

The China trip is made possible by committed organisers and participants, as well as the support of Rhodes House and our local partners. As such it embodies a spirit of independence and initiative, as well as the genuine desire for connection and exchange. The trip is remarkable in the diversity of individuals and institutions encountered by the Scholars, bringing forth issues and questions not normally at the fore in Oxford. I observed Scholars learning and growing not only individually but also in conversation and collectively, and not only academically but also in response to specific situations and contexts. This is the fourth year of Rhodes in China, and each year has seen a different version of the China trip. My hope as an organiser is that this year's itinerary has been yet another step towards making the trip a meaningful and sustainable part of the annual calendar.
